VISTA RETRO/REAR VIEW

Caratteristiche/Features :

- **Top B:** top inferiore realizzato in HPL spessore 14mm oppure in legno truciolare spessore 25mm colore grigio perla o frassino rosa. lower top realized in HPL thickness 14mm or wood chipboard thickness 25mm, pearl gray or pink ash.
- **Top A:** superiore realizzato in HPL spessore 18mm oppure in legno truciolare spessore 30 colore grigio antracite o frassino rosa. lower top realized in HPL thickness 18mm or wood chipboard thickness 30, anthracite gray or pink ash.
- **Sportello/Doors :** realizzate in lamiera pressopiegata spessore 1,5mm colore standard RAL 9006 o in alternativa altri colori della scala RAL. made from sheet 1,5mm thick standard color RAL 9006 or alternatively other RAL color scale.
- **Struttura/Structure :** realizzate in lamiera pressopiegata spessore 1,5mm colore standard RAL 9006 o in alternativa altri colori della scala RAL. made from sheet 1,5mm thick standard color RAL 9006 or alternatively other RAL color scale.

Note/Notes :

- * Quota con top in HPL/quote with HPL top (spessore/thickness 14-18mm).
- ** Quota con top in laminato truciolare/quote with chipboard top (spessore/thickness 25-30mm)
